

VIDEO: RFD TV – Day 11 of Freedom Convoy: How is it impacting U.S. ag?

Ottawa has announced a state of emergency as Canada reaches Day 11 of the trucker vaccine mandate protests. As the “Freedom Convoy” continues, many are speculating over the potential impact to U.S. ag. Senior analyst with HTS Commodities, Walter Kunisch spoke with RFD-TV’s Janet Adkison on the main implications on the supply chain, the value of trade across the border, and how it is affecting the trucker shortage.
