

## Charter School Investor Podcast: Stable or Unbalanced? An Important Charter School Market Update!

On this month's Charter School Investor podcast "What Charter School Leadership Looks Like," School Improvement Partnership's CEO Alan Wohlstetter talks with HilltopSecurities' Senior Managing Director and Head of Municipal Credit, Yaffa Rattner. Yaffa recently published HilltopSecurities' important Charter School Market Update. Yaffa walks us through her report, addressing bond volume, the impact of demographic trends, state credit enhancements and why HilltopSecurities revised its outlook from "stable" to unbalanced. In short, important information that charter school investors and other stakeholders will not want to miss!
